Dear Parent/Guardian,

If your child has aspirations of competing athletically as a freshman at an NCAA Division I or Division II school, they must meet NCAA Initial-Eligibility minimum standards, including minimum core course GPA and SAT/ACT test score requirements.

To assist in this process, we are pleased to inform you that Washington Park High School has registered with CoreCourseGPA.com, a web-based software program, that allows you to easily track your son or daughter's progress towards meeting these NCAA requirements, beginning as soon as the first semester of their freshman year of high school.

CoreCourseGPA.com incorporates the NCAA recognized core courses for Washington Park High School, and allows you to calculate BOTH Division I and Division II core course GPA. CoreCourseGPA,com also automatically factors weighted grades into it's calculations (when applicable) and tracks course requirements for BOTH Division I and Division II. Your son or daughter's core course information is saved for the duration of their high school career.
